

# Just the kick in the pants people need to accomplish anything

In *Kick Start Your Success*, author Romanus Wolter introduces readers to a simple, four-step process for achieving important goals in their life and work. The "Success Coach" columnist at *Entrepreneur* magazine, Wolter builds a solid foundation for success with simple steps that lead to real improvement. Wolter catapults people from the feeling "I want to do this..." to the discipline, skill, and mastery it takes to accomplish anything. Those steps are defining your own goals and your own expectation of success; converting your dream into words that bring your purpose into focus; finding your voice through positive speech and powerful achievement; and propelling your goal to reality by inspiring others to share their ideas and opportunities. *Kick Start Your Success* helps start the conversation of a lifetime, establishing the conviction necessary to succeed.

**ROMANUS WOLTER** is known as "The Kick Start Guy." The author of the bestselling *Kick Start Your Dream Business*, he is the "Success Coach" columnist at *Entrepreneur* magazine, as well as a popular radio host and public speaker. He was recently the director of the Small Business Development Center in San Francisco.
